

John Todd: Illuminati And Witchcraft Exposed

JUNE 17, 2014 / CONSCIOUSAWARENESSFORALL / EDIT

JOHN TODD claimed to be a former witch, satanic high priest and high ranking member of the Illuminati. Upon leaving the dark side in the 1970's, he subscribed to Christianity and dedicated his life to revealing the Satanic agenda that is subverting this world in its attempt to control it. He was later drugged, falsely imprisoned and locked in a mental health facility in attempts to discredit him. He was never heard from again.

John Todd was originally born LANCE COLLINS. He is said to have been born into a family with deep occult roots, where he was **initiated into witchcraft** at age 14. He purportedly served in the U.S. Army and Navy, where is said to have organized numerous witch covens.

In May of 1971, Todd is said to have become a Grand Druid High Priest and put in charge of a 13 state area of the U.S., with his headquarters based out of San Antonio, Texas. He claimed that 90% of the politicians in that area received financial support and took orders from the occult.

In August of 1972, Todd purportedly saw an Illuminati chart which spelled out their plan for taking over the world. The plan is said to have included electing JIMMY CARTER president of the U.S., taking guns away from citizens, removing the tax-exempt status from churches, enacting martial law, outlawing the storage of food, water and medical supplies, having Israel start World War 3 by battling over petrol fuels, farmlands and chemicals, destroying the monetary system, destroying crops and much more.

After leaving the occult, Todd set about traveling the U.S. to spread the word about the evils of the occult and the **Illuminati's plans** to take over the world. After a few years of **witnessing** to churches and Christian circles, Todd was reportedly drugged, kidnapped by the Illuminati and falsely imprisoned. There are **numerous reports** of Todd's death, including that he was murdered in the Fall of 1979, that he was murdered in 1994 upon being released from his false imprisonment and that he was murdered in 2007 while being held in a behavioral disorder treatment unit in South Carolina.
